### Promoting Renewable Energy Development: An Introductory Workshop for Energy Regulators

**March 16-18, 2011  
Nairobi, Kenya**

*Organized by  
the National Association of Regulatory Utility Commissioners (NARUC)*

*Co-hosted by  
Kenyan Electricity Regulatory Commission (ERC), the African Forum for Utility Regulators (AFUR), and the  
Regional Electricity Regulatory Association of Southern Africa (RERA)*

*Sponsored by  
the U.S. Agency for International Development (USAID)*

#### **Introduction:**

The National Association of Regulatory Utility Commissioners (NARUC) is pleased to announce this renewable energy training, the first in a series of workshops based on the publication “Encouraging Renewable Energy Development: Handbook for Regulators” supported by the United States Agency for International Development (USAID).

This workshop will be open to all African electricity regulators. Instructors for the course are predominantly practicing energy regulators with significant and noteworthy regulatory experience and expertise. All presentations and discussions will be conducted in English.

Deadline for registration is **February 14, 2011** (after that time registrants will be accepted on a first-come, first served basis until the event is at capacity). Please fill out and return your registration form to Ms. Bevan Flansburg, NARUC via fax: +1(202) 354-1564; or e-mail: [bflansburg@naruc.org](mailto:bflansburg@naruc.org).

More information on the agenda and hotel will be provided electronically following receipt of your registration form, be sure to include your email address on this form to receive this information. Participants are responsible for obtaining a visa, if needed, to enter Kenya and invitation letters can be provided upon request for this purpose.
